

# A FREE NEW AND UNIQUE HEALTH SCREENING COLLABORATION

Sponsored by the Greater New York Dental Meeting (GNYDM) & the New York State Academy of General Dentistry (NYSAGD)

The Greater New York Dental Meeting and the New York State Academy of General Dentistry will be offering the attendees a number of health screenings during the GNYDM's annual session.

**Sunday, November 26, 2017 from 10:30 am-5 pm**

**Monday, November 27, 2017 from 2pm - 5pm**

**at the Jacob K. Javits Convention Center**

**The following health screenings will be performed:**

**Oral Cancer**

**Caries**

**Hearing Van**

**Blood Pressure**

**Eye**

**Diabetes Risk Assessment**

Dr. Marc Gainor, General Chairman GNYDM and Dr. James Keenan, President NYSAGD, announce a collaboration to raise the health level of individuals through health screenings. They feel a wellness program such as this new initiative can lower a person's risk for health challenges.

## How to Participate?

All healthcare attendees must be registered for the Greater New York Dental Meeting in order to visit the screening area on the Exhibit Floor. There is no pre-registration fee to attend the GNYDM and no fee to participate in the health screening program.
